

Figure 3.6. Sample Practice Assignments for Intermediate Learners

Intermediate practice assignment #1

- Weekly practice log with assigned practice days & estimation of minutes
- Strategies provided by teacher or guided by class discussion

Name: _____

One goal for my practice time this week:		
<i>Specific, developmentally appropriate goal associated with at least one assigned excerpt. Can be teacher-guided initially with the eventual goal being student self-created goals.</i>		
Date	Assignments	Strategies
<i>Week or multi-week range</i>	<i>Assigned pages, measures, and/or other relevant parameters (teacher-guided)</i>	<i>Teacher-assigned strategies; result of class discussion</i>
	<i>Assigned pages, measures, and/or other relevant parameters (teacher- or student-guided)</i>	<i>Student self-selected strategies; result of class or section discussion</i>
	<i>Assigned pages, measures, and/or other relevant parameters (student-guided)</i>	<i>Student self-selected strategies</i>

Your assignment is to practice 3 days this week. This space is to keep track of how long you spend practicing each day.

Day 1	Day 2	Day 3
<i>Approximate range/number of minutes</i>	<i>Approximate range/number of minutes</i>	<i>Approximate range/number of minutes</i>
