Quiz Instructions

Please complete the following questions about the practicing ideas we discussed in class. You can take as many tries as you need to get all of the questions right. Your best score from all of your tries will end up being your grade for this quiz.

Question 1

1 pts

When practicing a tricky passage with a metronome, it is best to:

- (1) Begin with the metronome set at a tempo slower than performance, (2) Repeat the passage slowly until you can play it three times in a row the right way, (3) Increase the tempo just a bit faster and repeat step 2 until you can play the passage at performance tempo
- (1) Begin with the metronome set at a tempo slower than performance, (2) Repeat the passage at the performance tempo until you can play it three times in a row the right way, (3) Decrease the tempo again if you make mistakes at performance tempo
- (1) Begin repeating the passage at performance tempo until you've made what feels like too many mistakes, (2) Repeat the passage more slowly until you can play it three times in a row the right way, (3) Increase the tempo just a bit faster and repeat step 2 until you can play the passage at performance tempo
